If you are a patient with a medical diagnosis (**e.i. Dry Eye, Diabetes, Glaucoma, Macular Degeneration, or other medical problem that may affect the health of your eye**), or the Doctor finds anything wrong that may need to be monitored the examinations are more in-depth, and it may be necessary to have further testing to ensure the health of your eye. Depending on your condition, it may be deemed necessary to have you return to our office.

Our office will file health insurance claims as a courtesy. However you are responsible for **Specialist Co-pay's, Deductibles, and Refraction** charges that is not covered by your Medical Insurance.

\_\_\_\_\_ I have been informed that Braun Eyecare is in/out of network with my Medical Insurance and **DECLINE** any medical treatment today.
